

CANVAS ACCESSING HELP LINK

If you are already logged into Canvas and need technical assistance, please use the Canvas 'Help' link. It is the last option on the left menu bar (see red circle below). After you have selected/clicked the Help tab, a menu will display. Choose the option that best suits your needs.

The image shows a screenshot of the Canvas user interface. On the left is a vertical navigation menu with several icons and labels: a building icon, a person icon labeled 'Account', a dashboard icon labeled 'Dashboard', a book icon labeled 'Courses', a calendar icon labeled 'Calendar', an envelope icon with '13' labeled 'Inbox', and a question mark icon labeled 'Help'. The 'Help' icon is circled in red. To the right of the menu, the 'Help' dropdown menu is open, showing a list of options: 'Ask Your Instructor a Question' (with subtext 'Questions are submitted to your instructor'), 'Search the Canvas Guides' (with subtext 'Find answers to common questions'), 'Report a Problem' (with subtext 'If Canvas misbehaves, tell us about it'), 'Submit a Feature Idea' (with subtext 'Have an idea to improve Canvas?'), 'Chat with Canvas Support' (with subtext 'Live chat with Canvas Support!'), and 'Canvas Support Hotline' (with subtext '877-251-6615'). A close button (X) is visible in the top right corner of the dropdown menu.
