08/12/13: Important Reminder!

For undergraduate ten week online faculty and students only. Please read below:

Please be advised that ProctorU and in person final exams at bases and the main campus will NOT be used beginning this Summer 2013 term. All online faculty must set up their final exams within ecollege or the learning management system they are currently using.

Faculty who already have a ProctorU link, you can simply convert it to the Final and set the time. Any faculty needing assistance with their final, please email jnakason@chaminade.edu.

Please note: Your English course may not be using eCollege. Please check your Chaminade email for verification. English courses not using eCollege can be found at <http://www.edwebs.activemoodle.com>.

Contact the Helpdesk at helpdesk@chaminade.edu if you have a problem or questions regarding your eCollege account.

Not all Chaminade instructors use eCollege to teach their online courses. If your course does not appear on the eCollege system, be sure to check your Chaminade email account for information and contact your instructor via email for the general instructions about non-eCollege courses.

Resources for online teaching and using eCollege are now available at <http://www.chaminade.edu/online> for CUH faculty. Handouts and video tutorials are available for viewing.
