

## WEBADVISOR

Since you are already logged onto the Portal, you are also logged into Web Advisor. The WebAdvisor portion is found in the bottom right margin. From here you can do a variety of things like checking your class schedule, grades, registering, etc.

You can also access WebAdvisor by typing [webadvisor.chaminade.edu](http://webadvisor.chaminade.edu) in your web browser (i.e. Internet Explorer (IE), Firefox, and Safari). Click on "Log In" found in the top right corner.

Use your 7 digit Chaminade ID (CID) for your "User ID" and your last 4 digits of your SSN as your password. Remember if this is the first time logging into WebAdvisor your password should be the last 4 digits of your SSN or your Birthday (mmddyy format). If you have logged on before, please use the password that you changed it to. From here it may not look the same as explained previously but it should have the same options.
